

# STEPHEN GILBERT

DUBBING MIXER

Stephen joined Directors Cut in 2016 as a runner and after showing a flare for sound, was promoted to work with the audio team a short time later. After 3 years as an assistant, when he was Dubbing Editor on many of the companies highest rated shows, Stephen was promoted to Dubbing Mixer on the cusp of the Covid pandemic. With his calm nature he has proven himself a valuable asset to the team, and has worked across many genres including reality, childrens, factual and entertainment.

He is the only real Northerner in the company and has a unique Viking blonde beard which has won him much acclaim.
