

## JOHN BENTLEY

ONLINE EDITOR / COLOURIST

John joined the Post Production industry due to his passion for films, something which hasn't waned in the twenty years he's been a part of it. His creativity along with his extensive technical experience and eye for detail, have enabled him to produce high quality work for all the major broadcast platforms. As well as his fluency online in Avid, John has also picked up a number of Baselight Digital Intermediate and Grading credits in both scripted and non scripted environments. This experience across the whole of the picture post process has made John an adaptable, trusted and dynamic Online Editor / Colourist.
